RE: NOI to Commence Large Mining Operations, Geneva Rock Products, Inc., Point of the Mountain Quarry Operation M/035/026

Dear Doug:

Per our recent conversations, this letter is being submitted on behalf of Geneva Rock Products, Inc. (Geneva) to request additional time to complete the response to the Division's January 13, 2006 Initial Review of the Point of the Mountain Quarry NOI. JBR is meeting with Geneva on Monday, February 27 to review maps and discuss the NOI. JBR's drafter will be out on vacation February 28 to March 7. We would appreciate an extension until March 10, to allow for any further map/text revisions as a result of our meeting with Geneva. Thank you.

Sincerely,

A handwritten signature in black ink that reads "Linda Matthews". The signature is fluid and cursive, with a large loop at the end of the last name.
